

Press Release WUHA „Rainbow Eyes EDM Club Mix“

Vienna, November 27, 2025

WUHA returns with a high-energy reinvention of their standout single “Rainbow Eyes” — now transformed into a powerful EDM Club Mix built for the dancefloor.

Pulsating basslines, euphoric synth drops and a driving 100 BPM production give the track a completely new dimension while preserving the emotional core of the original version.

The *EDM Club Mix* elevates “Rainbow Eyes” into a full-scale festival anthem: bright, uplifting, and irresistibly danceable. With its shimmering melodies, dynamic build-ups, and an all-out electrifying chorus, the new mix is crafted for DJs, clubs, and EDM lovers around the world.

Background – What Has Happened So Far

The year 2025 has already been a milestone-filled journey for us. Our previous single **“Caroline”** received international radio airplay and gained strong traction across social media. This success also led to the creation of the **“Caroline Extended Club Mix”**, which has since been featured on numerous Spotify playlists — including the *2025 Global Talent Playlist* by Australian DJ **Steve Marks**.

We were also honored to be interviewed by the American radio station **Breaking Sound Radio**, which reports over 700,000 listeners. Our **“Artist Spotlight 2025”** segment was broadcast regularly for two months as part of their curated playlist.

With **“Rainbow Eyes,”** we are now opening another vibrant chapter — one that we hope will soon find its way into your radio programming as well.

For interviews, jingles, or additional press materials, we are always happy to assist.

About WUHA

Short biography

WUHA is a **Vienna-based** production team. With a deep understanding of music production and a flair for catchy melodies and sounds, WUHA is an important player on the Austrian and international music scene.

Long biography

A singer, songwriter, and producer from Vienna, Austria, driven by a deep passion for music. Growing up in a musical family, Andreas had his first performances at the age of six together with his father, who supported and accompanied him on his musical journey for more than 30 years. During this time, Andreas founded several bands and wrote numerous songs.

Wolfgang had his first encounter with the “six strings” in 1982. More about him can be found at www.wolfganglaab.at.

Wolfgang and Andreas grew up in the same neighborhood and met in a music store. From that moment on, it was clear that they wanted to play together in a band. They took part in band competitions and even won with their band *Cinderella*. They were given the opportunity to produce the records *Loving You* and *To Be a Star* with a professional producer.

Their professional career began with the Top 40 band *Broadway*. Together, they toured throughout Austria, Germany, and Switzerland.

Wolfgang Laab has already celebrated national success (Christl Stürmer, Alf Poier, Manuel Ortega, Gernot Pachernigg, etc.) and gained international experience in the USA with Peter Wolf (Frank Zappa, Commodores, Cliff Richard, etc.). For WUHA, Wolfgang is considered the Austrian Steve Lukather of *Toto* — his sound and his way of playing are simply brilliant.
